TEN RULES FOR GETTING PEOPLE TO LIKE YOU

FIRST: Learn to remember names. Inefficiency at this point may indicate that your interest is not sufficiently outgoing. A man's name is very important to him.

SECOND: Be a comfortable person so that there is no strain in being with you. Be an old shoe, old hat kind of individual.

THIRD: Acquire the quality of relaxed easy-goingness so that things do not ruffle you.

FOURTH: Don't be egotistical. Guard against giving the impression you know it all. Be natural and humble.

FIFTH: Cultivate the quality of being stimulating and interesting so that people will want to be with you.

SIXTH: Study to get the scratchy elements (even those of which you may be unconscious) out of your personality. Expert counseling by your minister or doctor may help in this.

SEVENTH: Sincerely attempt to heal, on an honest man-to-man basis, every misunderstanding you have had or now have. Drain off your grievances.

EIGHTH: Definitely practice liking people until you learn to do so genuinely. Will Rogers once said, "I never met a man I didn't like." Try to be that way.

NINTH: Never miss an opportunity to say a word of congratulations upon anyone's achievement, or express sympathy in sorrow or disappointment.

TENTH: Get a deep spiritual experience so that you have something to give to people that will help them be stronger and meet life more effectively.

NEW JUDGES LIST

First Vice President, Lee Trainor has written to all chapter presidents to send in a list of the judges who were accredited last year. The new list will be made up from the returns of this request.

If you are an accredited Hibiscus Society Judge be sure to check with your chapter president to see that he submitted your name. If he failed to include your name drop a note to Mr. Trainor. His address is listed on the inside cover of the Seed Pod. If you are a member at large and have no chapter to report your name be sure to drop Mr. Trainor a card telling him that you are a judge. He also wants to know what shows you attended, judged, or clerked at last season so he can get his records in order.

Mr. Trainor is chairman of the Show and Judging Rules committee and is working up a new set of rules along with the way judges are accredited and refresher courses. This report will be submitted to the members at the Annual Meeting in Sarasota. It will also be carried in the next issue of the Seed Pod in condensed form.

Don't forget to check with your president or send in your name and address. DO IT NOW!
